AICI Australia Chapter President's Desk

15<sup>th</sup> October 2008

Dear Annette

Thank-you again for your wonderful presentation at our annual AICI October conference. It was so enjoyable to work with a true professional.

From our feedback forms your session was the most valuable to our chapter members and rated the highest in learning outcomes.

Again, thank-you for your presentation and your very generous sharing of knowledge to our Australian Chapter. We have all learnt from the experience and I look forward to working with you again in the future.

We have made available to you photographs from the event for your use if you should like any.

Regards

Jayne de Wit  
AICI Australia Chapter President
